1 AMENDMENT TO HOUSE BILL 3260

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3260 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Central Management Services  
5 Law of the Civil Administrative Code of Illinois is amended by  
6 adding Section 405-282 as follows:

7 (20 ILCS 405/405-282 new)

8 Sec. 405-282. Surplus vehicles. Notwithstanding any other  
9 provision of law to the contrary, all State-owned vehicles that  
10 were reported in the Performance Audit of the State Vehicles  
11 Fleet released by the Office of the Auditor General in November  
12 2011 to have been driven 7,000 miles or less in Fiscal Year  
13 2010 are deemed surplus and shall be sold on or before January  
14 1, 2014, or on a different date as procedures require, using  
15 existing rules, regulations, and procedures for the sale of  
16 surplus State vehicles. Notwithstanding any other provision of

1 law, vehicles with remaining useful life may be recycled into  
2 the State vehicle fleet to replace mission critical vehicles  
3 with higher maintenance costs to reduce the overall cost of  
4 maintaining the fleet. The 7,000 mile requirement set forth in  
5 this Section includes all miles driven, including all miles  
6 driven while on official State business and all miles driven  
7 while not on official State business. This Section does not  
8 apply to vehicles driven by police or law enforcement personnel  
9 while on duty, vehicles driven by employees of public  
10 universities of the State, or to emergency vehicles, snow  
11 plows, or heavy equipment vehicles. Proceeds from the sale of  
12 each surplus vehicle under this Section shall be deposited in  
13 the same manner as proceeds from the sale of surplus vehicles  
14 for that vehicle's particular agency under current law.  
15 Exceptions to this Section may be granted by the Department for  
16 vehicles identified in the Performance Audit of the State  
17 Vehicles Fleet released by the Office of the Auditor General in  
18 November 2011 to have been driven 7,000 miles or less in Fiscal  
19 Year 2010 if the exception is justified under agency head  
20 signature because the vehicle is mission critical for State  
21 business that could not otherwise be performed without the  
22 vehicle. Other exceptions may be granted by the Department if  
23 the Agency certifies to the Department that the vehicle was  
24 driven at least 15,000 additional miles after the date of the  
25 audit and before the end of Fiscal Year 2012.

1           Section 99. Effective date. This Act takes effect upon  
2    becoming law.".
